

# RELEASE SCHEDULE AUGUST 2025

## WHAT TO EXPECT

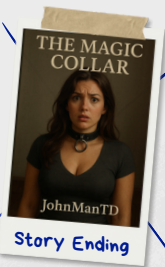

Week 2 Starts

### Wednesday Weekly Chapter

The Challenge App finishes Week 1 with Day 7, and continues into Week 2 immediately!

The Magic Collar is coming to an end with chapter 10, but the vote for the replacement is currently still undecided as the vote is too close to determine a winner.

Story Ending

Replacement Undecided so far

### Friday Side Stories

Expect a 2 new additions to The Carnal Labyrinth finishing the game, along with Transformation Party - a new story following characters who attend a party that will unknowingly transform them all. And lastly, I want to bring The Swapping Device back, so you can expect a new addition to that story too.

### Sunday Bonus

This month instead of small bonus chapters, I'll be releasing a comic adaption of The Challenge App! I'm excited to be working with @thor6431 to bring this story to life with their incredible artwork.
